PROCEEDINGS
OF
THE ROYAL
SOCIETY

Editorial Board

A. B. R. McPeak, Department of Biological Sciences, University of California, Santa Cruz

M. F. Hassell, Editor-in-Chief, Department of Life Sciences, Imperial College London
C. Adkins-Regan, Editor, Department of Ecology, Evolution and Systematics, Cornell University
S. C. Benett, Editor, Department of Zoology and School of Biological Sciences, University of Bristol
I. C. Cuthill, Editor, School of Biological Sciences, University of Bristol
J. A. P. Hestieri, Editor, Department of Farm Animal Behaviour and Welfare, University of Reading
M. T. Siva-Jothy, Reviews Editor, Department of Ethology, Eötvös Loránd University, Budapest
K. Norris, Associate Editor, School of Biological Sciences, University of Auckland
T. W. Alexander, Director of Biodiversity Sciences, The Natural History Museum, London
S. H. Aluoso, Institute of Ecology and Evolution, University of California, Santa Barbara
A. T. D. Bennett, School of Life and Environmental Sciences, University of Reading
R. L. Cifelli, Department of Geology and Geophysics, University of Oklahoma
M. Chapsalis, School of Biological Sciences, Imperial College London
R. Bshary, Department of Animal Ecology, Lund University
G. Cowlishaw, School of Zoology, University of Sydney
M. Noor, University of Milan
A. E. Minetti, Department of Human Movement Sciences, University of Milan
S. H. Alonzo, University of Montana
P. Lundberg, Department of Theoretical Ecology, University of California, Berkeley
I. J. Lovette, Cornell Laboratory of Ornithology, Ithaca, New York
T. D. Price, Department of Genetics, Evolution and Climate, University of Cambridge
A. Purvis, Department of Zoology, University of Oxford
M. S. Dawkins, Department of Zoology, University of Oxford
L. De Meester, Faculty of Science, KU Leuven
T. Fukatsu, National Museum of Nature and Science, Tokyo
J. A. Hutchings, Department of Fish and Game, Victoria, Canada
M. S. Renner, Jagiellonian University
R. G. Foster, Faculty of Life Sciences, Imperial College London
K. Norris, Department of Animal Ecology, Lund University
S. S. Renner, University of Missouri
D. Promislow, The University of Chicago
H. D. Rundle, Department of Animal Ecology, Lund University
L. Rowe, University of Missouri
A. Smith, Institute of Human Ecology, University of Illinois
T. Fukatsu, National Institute of Advanced Industrial Science and Technology (AIST), Japan
S. E. Ralls, Department of Environmental Science, University of Virginia
J. A. W. Rieger, Department of Zoology, University of Oxford
M. H. Ashlock, College of Natural Sciences, University of Texas at Austin
S. K. Knopf, Department of Zoology, University of Oxford
S. J. Ross, Department of Zoology, University of Oxford
J. R. C. Ralls, School of Life and Environmental Sciences, University of Reading
L. E. D. Ralls, School of Zoology, University of Oxford
S. W. L. Ross, School of Natural Resources and Environment, University of Michigan
P. Lindberg, Department of Theoretical Ecology, Lund University
M. M. Smith, School of Biological Sciences, University of East Anglia
A. M. M. Mithen, Institute of Human Evolution, University of California, Berkeley
M. Bonsall, Division of Biological Sciences, Cornell University
I. C. Cuthill, Editor

SUBSCRIPTIONS

In 2010 Proc. R. Soc. B is ISSN 0962-8452 will be published twice a month. Full electronic access can be obtained by contacting our current fulfillment agent, Portland Customer Services, Commerce Way, Clifton, NJ 07011. Tel: +1 (201) 260-7931, Fax: +1 (201) 260-7931, email: salesservices@portlandc.com or by visiting our website at royal-society.org/pdf/subscriptions. The Royal Society is a Registered Charity No. 207043.

Cover image: Ceylonika branch, a box jellyfish native to the South African coast. (See pages 493–501; image courtesy of Brent Viljoen.)
