Correction

**Evolutional trends and palaeobiogeography of the Ordovician trilobite Ovalocephalus Koroleva, 1959**

Zhou Zhiyi, Yuan Wenwei and Zhou Zhiqiang

Figure 2 was erroneously presented in our paper Zhou *et al.* (2010). Range bars of species are ‘out of phase’ with the time scale, and therefore, the age of each species shown by that figure is not correct and not consistent with the text. The figure is presented correctly herein. The caption of figure 2 is correct and remains the same.
