Correction to ‘Early life inflammation, immune response and ageing’

Imroze Khan, Deepa Agashe and Jens Rolff

IK, 0000-0002-0110-2274; DA, 0000-0002-0374-8159; JR, 0000-0002-1529-5409

We recently discovered an error in the section summarizing author contributions. Below, we provide a corrected version of author contributions.

Authors’ contributions. I.K. and J.R. conceived of and designed experiments; I.K. carried out experiments; I.K. analysed data with inputs from J.R. and D.A.; I.K., J.R. and D.A. wrote the manuscript. All authors gave final approval for publication.
