Reviewers in 2017

Spencer C. H. Barrett

Editor-in-Chief

SCHB, 0000-0002-7762-3455

The Editors of *Proceedings of the Royal Society B* would like to thank all reviewers who have worked on articles published in the journal in volume 284 in 2017.

To provide an opportunity for recognition, we list the names of all reviewers who have opted to be included. This article is made permanent and citeable by its digital object identifier (DOI). We encourage you to quote your contribution in your applications for tenure and grants or other forms of research assessment. Where you have provided it, we have included your ORCID so your contribution can be unambiguously assigned to you.

On behalf of all the Editors and editorial office, I thank all of our reviewers past, present and future, and we look forward to your continued support of *Proceedings of the Royal Society B*.
