

- Visceral nervous system of the earthworm, III (Millott), 200.  
Visual cortex in man (Holmes), 348.  
Visual perception of movement by toads (Honigmann), 291.  
Vitamin requirements of two insects (Blewett & Fraenkel), 212.
- Williams, P. C. Ovarian stimulation by oestrogens: effects in immature hypophysectomized rats, 189.  
Williams, P. C. *See also* Dodds, Lawson & Williams.

## ERRATA

Page 6, line 13. *For Meyer read Myers.*

Page 186, line 3 from bottom. *For intact read hypophysectomized.*

Plate 15, facing page 198. Two of the captions are misplaced. That reading Figure 2...434/40 refers to the bottom left-hand figure, and that reading Figure 3...463/40 refers to the top right-hand figure.

END OF THE ONE HUNDRED AND THIRTY-SECOND VOLUME (SERIES B)
